## **“Fa Sol La: An Easy Introduction to Shape-Note Singing”**

Rick Russell & Laura Boyd Russell, Facilitators

1:00 - 2:15 pm

Attendees will practice singing using the four-shape musical notation found in the *Sacred Harp* song book. Then, we will form into a traditional hollow square (tenors face the altos, trebles face the basses, and everyone joins in the singing) to sing selections taken from the 1991 Denson edition of the *Sacred Harp*. Along the way, the presenters will introduce a few of the traditions of Sacred Harp singing. Curious? Come and sing for yourself!

### **WORKSHOP IS FREE TO PARTICIPATING SINGERS!**

Southern California Dulcimer Heritage Festival’s organizers have offered to waive the \$5 walk-in entrance fee for Sacred Harp singers who would like to attend the “Introduction to Shape-Note Singing” Workshop. Tell them at the registration/entrance you’re a singer there for the Shape Note workshop as a participant. No books are necessary! We have handouts. Come, sing, and enjoy the festival!
